“ To Susan's family,
I am so saddened to hear of Sue's (as I knew her at Wenatchee High School) death. I can still picture her with her vivacious personality, contagious laugh, and sparkling eyes. When you in Sue's company, you were in good company! We were briefly reacquainted at one of our reunions, but sadly it was too brief to really explore each other's lives. I especially want to send my warm thoughts to you, Ann. You were my connection to Sue during the WSU years. Ardis Haring Zidan
