“ Scott, Terri Lou and family, you are in our thoughts and prayers. Your mother was a special friend to our family. I remember her visits at Yellowtail, her letting me as a young teenager paint her fingernails. Teresa was our rock when dad past away years ago. Never forgotten, always in our hearts.

“ I was sorry to read about Terry's passing. We worked together at Reclamation for many years. She was the reason I got a job at Reclamation back in 1981. Forever grateful to her.
