“ *This lovely lady was our Bigfork friend and neighbor. She and her husband Andy were good friends, the kind you always think will last forever. With Thelma, it was a shame she didn't last forever, because she was a lovely, charming, interesting, and wonderful friend, and we will always miss her. God bless you all, her family whom she loved so much! Bigfork Harbor is dimly lit without this sparkling, shining light!*

*Love and God's blessings to you all,

“ *Thelma was loving, kind and gentle. She was sweet, witty and fun to be with. She was intelligent, a voracious reader, fascinated by life. She was possessed of a backbone of steel. She was beautiful, graceful, poised, always perfectly and stunningly dressed. Her voice was melodic and mesmerizing. I thought of her as a princess when I was a child, and I never had reason to change my opinion. Thelma of the smiling eyes, sparkling dancing eyes that held a hint of mischief of only the kindest kind, I will never forget my beloved aunt Thelma.*

*Beautifully written and I share many of your thoughts. Andy & Thel were special neighbors of my parents since 1989 down here in Las Vegas, Nevada. Sweet and kind are just a few words to describe Thel... always a joy to be around.*

*Remembering her wonderful and gentle soul will forever remain in our hearts. May she rest in peace!*

*“ I loved my Aunt Thelma! She was always beautiful, bright and cheery. She had a twinkle in her eye... Just like her papa, who was my grandpa. Blessed be her memory in our hearts. --From Thelma's niece, Lois Bodurtha*
