“ I had so much fun growing up with Therese as my piano partner and friend! She always had so much energy, spirit and zest for life!! She was always up to something and you could see the wheels spinning in her eyes. Where Therese was - there was always laughter! What a wonderful, glorious, person and inspired so many of us! She will be very missed by friends and family but I know she is reunited with the love of her life and nephew and so at peace now. It is always hardest on the ones left behind but I know everyone shares the same memories - when you tjhink of Therese you can't help but smile!! Forever in my heart - Siobhan Fryhover

“ Oh Therese, you beautiful, dark haired girl. I remember the time my family and I came to visit you and your family. I thought you were so pretty! We were both the same age. I'm sorry to say goodbye. May your family find peace in knowing your pain is over and comfort in each other.
