“ Hey Tom, you’re the one who could always make me smile. You were the one we could trust to be kind as those around us could be cruel. Sorry I didn’t get to catch up with you as much later in life as time didn’t make that allowance. Ciao.

“ I am so sad Tom has passed. Whenever I came back to Ellensburg I would go looking for him at Super One, or after that at Fred Meyers. And last July when our 50 year reunion was happening he had moved to Wenatchee. He always resisted our pleas to attend the reunions- and A LOT OF US pleaded with him. Rest in peace my friend. You are missed, and I am sad that I did not get to see you again.

“ July 2024, the class of Ellensburg High School, celebrated their 50th class reunion. We missed seeing Tom at the reunion. I would see Tom at the grocery store and we would always chat. Rest in Peace.

“ Tom was a great friend. Enjoyed singing with him for many, under the direction of his father, Coyne. Our trip to all-state choir in Richland was a highlight. RIP dear friend.
