“ I first met Tom in Chico, CA when I went to work at Wittmeier Autocenter in 1996, but I wouldn't get to know him well until 11 years later, when he offered me a job at Cascade Autocenter in Wenatchee. With the job offer came a gracious offer of a room to stay in at the Welch home until I was able to move my family up and purchase a home. When the recession hit full on in 2008, Tom and I worked side by side. We worked very closely together and grew to be good friends. As struggles entered my life, Tom stepped up and always had my back, sometimes when I didn't deserve it. It was a privilege to learn and mentor under an honest, stable and intelligent man like Tom. He left an indelible mark on my life and contributed to the man that I am today. I will be forever grateful for his kindness and friendship. I only found two pictures in my photo album, one, of the back of his head while he was updating the sales board one morning, and one where he and Gwen joined a group of our friends to celebrate my then wife's 40th birthday.

“ Tom was my boss first at Cascade Autocenter, but quickly turned to a mentor, and then soon after a friend. When he retired, he would still stop by and sit in my office asking how my kids were and telling me to take good care of my wife. When I left Cascade after nearly 13 years, Tom called me to make sure I was okay. He will be greatly missed.

My wife Karen & I knew Tom and wife Gwen from the Wenatchee Centipede Dance Club from 2011-2021. Tom always looked very stately in his tuxedo, and Gwen in her dancing dress. I also knew Tom from our being in different Wenatchee Valley Rotary Clubs. Tom was a quiet guy, but always friendly. We'll miss him greatly!
