“ Junior was not only a brother but a brother I grew up with and shared memories. Great memories. Sports, school activities and family gatherings. ect. He was a great brother, father, husband and son and a great brother In law. My wife and I miss him dearly but we know he is in gods arms resting and waiting for us to join him one day.

“ *Dad,
We will miss you beyond what words can express. You taught us that we don't get to chose what events happen in our lives, but we can chose to fight like a warrior. And you did. I know without a doubt you have earned your wings and are flying high. Heaven gained a beautiful angel!

“ I love you guys very much and I am so sorry for the loss of my
Padrino. He was a good man, a strong man, and an inspiration to
many. Most of all he was one of the biggest supporters and coaches
a person could ask for! He lectured and taught with the "anything is
possible if you put your mind to it" attitude. I am confident that his
legacy will carry on for years to come through all of the people that
he had an impact on, including myself. You will always be in our
thoughts and prayers I love you Nino! RIP
