“ *So sorry to hear of Treva's passing. Growing up I spent so much time at her house and I have many fond memories. My thoughts and prayers are with you all. Sheila Countryman-Bean* ”

Treva has always been a beautiful woman, in Spirit, as well, to me. She was 8 months older than my mother. And, I am proud to say they both have the same granddaughter, Dawn Estelle Cox. I wish and pray Jesus, our Comforter, be close to the family, and bless each one always with beautiful memories.
