

Wayne Lannoye

March 18, 1965 - December 17, 2015

Wayne Lannoye, of East Wenatchee, WA died Thursday, December 17, 2015 at his home after a valiant battle with cancer. Wayne was born to Ron and Pat Lannoye on March 18, 1965. Wayne was born and raised in East Wenatchee. Wayne obtained his auto mechanic skills while working at his grandfather Forest Lannoye's Eastside Garage alongside his father. He graduated from Eastmont High School in 1983, where he was selected to the 1983 All-State High School All Star baseball team and played on the American Legion team for years. He then attended Wenatchee Valley College, where he met his love of his life, his wife of 28.5 years, Geneise. From fishing in the ocean with his family for salmon and halibut, to hunting mule deer and big game, Wayne was passionate about the outdoors. He had a natural instinct when it came to hunting yet, there are no words to put into perspective of how accomplished and proud he was of his success and that of his family's hunting successes. Wayne wanted to spread his wealth of knowledge with everyone and wanted them to feel his excitement for the great outdoors. Anyone who ever met Wayne would know that he was a kind, gentle, giving man who loved to hunt (to say the least), fish, camp and be with his daughters. As everyone who knew Wayne, knew he did everything and anything to life's fullest potential every day. He will be hugely missed, but his impact will continue to be felt every day by those who knew and loved him.

Wayne is survived by his wife, Geneise; daughter, Ashley Lannoye, Kayla Lannoye; parents, Ron and Pat Lannoye; his sister, Wendy Johnson

(Lannoye); uncle and aunt, Marlin and Deanna Lannoye; and many cousins. Wayne was preceded in death by his grandparents, Forest and Bonnie Lannoye and Dillard and Pauline Brixey.

In lieu of flowers, donations may be made to Northwest Kidney Center after December 29th. A Celebration of Wayne's life will be held at a later day.

“ Ron and Pat, we were shocked when we found out about Waynes illness and passing. I'll always remember his "smoked" salmon when he would bring it to the shop, it was gone in seconds. That boy could hunt his tail off, and always get a super nice buck. Also, if you needed help with your vehicle... ask Wayne. Sincerely, Bill and Kathy Prazer

“ I'm writing from Kansas City, MO. to send my condolences to the family of Wayne Lannoye. I graduated from EHS in 1985 and played baseball with Wayne. He certainly was a very nice and excepting Senior when I was a Sophmore. I will always remember Wayne as one of the nicest guys I have ever met.

“ So Sorry for your loss and pray this season can still bring hope and joy. He was a great neighbor- always had a wave and smile and would take time to visit. I could see him so often working in his yard. Our prayers are with you
