“ Wendell was my Service Manager when I started with Toledo Scale in 1977. He was one of the most interesting and entertaining people I have met in my life. I have great memories of him teaching me to waterski. I last saw him while traveling through Entiat heading to Chelan. It was easy to spot his "flag" ski boat on the main drag through the small town. I am sad that I did not get to see him again.

Looking at some pictures from 1960 lake Chelan, we are camping. He tried to teach me, I was too young. He could really ski. We were family friends but drifted apart. My name is Loren Johnson.

“ I never got to meet him but he had insurance with our agency and I just talked to him a couple weeks ago.

My prayers for family and friends.

“ We met many years ago when we all lived in Seattle Area and saw each other at water ski tournaments. Wendell was a devoted skier, showing up at the tournaments and working all weekend along with competing in his own division. My stand out memory was helping him in a boat on Greenlake. He was so information, fun, funny and hard working...such an enjoyable guy. Later, he moved to Entiat, WA where I ran into him often, swapping past memories and catching up on his involvement in his new community. He loved his son deeply and he always talked about him with care and love in his heart. I am so glad I got to know Wendell...he will always be part of my favorite memories. Lynne Fuller
