“ *I will miss Kim. We haven't shared our lives since High School, but I considered him a friend and both liked and admired him. God Speed your journey old friend, and bring comfort to your loved ones in this obviously difficult and painful time.*

“ *Knowing Kim changed my life for the better. I hadn't seen him for over a year, and I wish I had made time. He was a ray of sunshine in my life and a genuinely open and generous spirit. The world was better for having him in it. My condolences to Sharon and his girls.*

“ What a privilege it was to know and to be a long-time customer of Kim's at Farmer's. We met soon after moving to Wenatchee to be a part of the Eye & Ear clinic and loved not only Dr. CK & Amy but Kim. Through the years we couldn't have had a more wonderful agent than Kim. He had honesty, integrity, cared for us in any way we needed during the 23 yrs we were associated w/him. We hated to see him retire!

You are all in my prayers for comfort and encouragement during the tough days. I can't say "things will get better", but the pain will lessen in time.
