“ Alex, Neil, Sheila, and Angus:

How fortunate you were to have such a respected, hardworking and energetic Father.

He blessed so many people with his Faith and Kindness.

Praying you will find comfort in your memories of him and in the knowledge that

others are missing him, too.

Sharing your sadness.

“ *Bill: I remember you so very clearly first as my Confirmation Sponsor at St. Genevieve's Catholic Church in Twisp. You stood right behind me as Bishop Topel asked us questions; you were definitely a reassuring presence. I will always remember your contagious smile along with your Scottish-English accent - a treasure in the Methow Valley. And finally, your running, even when bears were up close to see you keep your feet churning, is what gave you the freedom you have always enjoyed since leaving the homeland. I indulged from a distance your running feats, feats of a very close friend who will be dearly missed.*

“ Dear Bill,
How brief were the years that have passed since we first met at the starting line of one of the many races we competed in. You were an awesome runner and a credit to the sport of running. I treasure those years and I thank you for the wonderful memories. I take great comfort in knowing that you are now pain free. I know that the last few years have not been easy ones for you. Will we meet again Bill in another time and place? It is my belief that we will and we can relive those wonderful years.

May our eternal father be kind and gentle to you and grant u peace and comfort. Rest easy Bill. May you smile and touch the face of Jesus as you fly, fly away.

And to the Kerr family we share your grief at this time and we hear your voices crying out for Bill.

Our deepest love,

“ In my fruit growing days, I always looked forward to dropping down to Northwest Wholesale and having coffee with Bill and the boys. He was always so warm and had a "saying" for most everything. Loved hearing his Scottish "brogue". He will be missed in our valley.
