“ My father James Vanderwyst and my mother Shirley Vanderwyst were close friends with Bill and Edie Monpetit. Sig wold storage and transfer gave many fellas a good start in life with steady employment all year long when jobs were scarce here in Fairbanks Alaska. Bill and Edie were very giving with what they had, i got my drivers license when i turned 16 while working as the yard boy there. I also learned to water ski because of their kindness to share their cabin and lake boat out at Harding lake. Good people that employed many here in Fairbanks. May you rest in peace Bill, Sincerely Scott Coltellaro.

“ Bill was so dear to me. I called him my “special Wenatchee pal”. He was so tender and childlike and really precious, and always so appreciative & thankful
