“ Rest in Peace "Uncle Will" The best mayor Withrow ever had (probably the only one) but still the best. :-) Thank you for teaching me the old German Love song you loved so well. Myself and all my family were always welcome in your home for good times and memories. Until we meet again, Gods speed and say hi to mom and dad for me.

“ *Uncle Will you will be sorely missed. From our most recent visit with a few glasses of Aunt Shirles wheat wine and a few beers to playing poker when I was only 8-10 years old.*

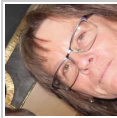

Ardie the cat some how figures in many of the memories. I remember coming from Mansfield and going to the chicken coop to get a few fresh eggs. My youngest son Brandon has fond memories of playing the old piano with some of the newer songs on the radio. The yearly Christmas cards with short but handwritten note on how things were going in Withrow was a treat at Christmas time..

There are so many fond memories. One final, at the old ranch I was only 4 years old and I threw a rock up in the air and it hit me on the head, Horace thought that was the funniest thing he ever saw and it was brought up for discussion for 50 years whenever we got together.

Rest in Peace. Uncle Will was one of a kind..

Willy and Shirley were a good part of my growing up Lutheran life. Rest in peace and to Shirley a big hug.
